

sikohazi

Details

floor carpet made of Sisal and goat's hair
colour: undyed sisal with black goat's hair
maximum width 250cm
made to measure
handwoven in Switzerland

sikohazi – inspired from *wabi-sabi*, the Japanese aesthetic of modesty, where the beauty of things is considered as something imperfect, rough and irregular.

mischling

Details

floor carpet made of goat's hair and sheep's wool
one side goat's hair, off white or dark brown
one side coloured sheep's wool
maximum width 250cm
made to measure
handwoven in Switzerland

mischling – the product of a successful pairing between *zicke* and *weichling*. A sheepgoat or a goatsheep – whichever you prefer: Just turn it upside down and enjoy the hairy, off white or dark brown side today, the soft and colourful side tomorrow. In any case, *mischling* is robust and may well become your favourite piece in the house!
